The cleaning of the accommodations and common areas is carried out in accordance with the safety protocols indicated by Ministerial Decrees.

Information on how to reach the Hotel:

- **From the airport to Hotel Residence Ulivi e Palme:** First, purchase a train ticket to Cagliari from the dedicated machines at the airport. All trains reach Cagliari city station in 5 minutes. From the square, walk to the adjacent Via Roma (harbor side) and take bus number 1, stop ‘Roma-Molo Sanità’. Get off at the stop called ‘Castiglione-Campi Sportivi’; 200 meters away, you will find Hotel Residence Ulivi e Palme (Via Bembo, 25).

• **From Hotel Residence Ulivi e Palme to the lectures venue:** by bus, take bus number 1 at the ‘Castiglione - Ang. Via Serra’ stop, get off at the ‘Roma-Fronte Molo Sanità’ stop, and from the same stop, take bus number 5 (direction ‘Parco San Michele’) that will bring you to the entrance of the Faculty of Humanities (get off at the stop called ‘Is Mirrionis fronte Magistero’). If you prefer to walk, search Via Trentino – Sa Duchessa on Google Maps. It is the second entrance to the Faculty of Humanities. Once you reach the entrance, go straight for 30 meters, take the second entrance on your left, go straight for 10 meters, turn right, climb a flight of stairs, proceed straight, and take a second flight of stairs on your right. At the end of the stairs, you will be in the central building of the Faculty. Classrooms 9 and 10 are located on the ground floor.

• **From Via Is Mirrionis 1 to Hotel Residence Ulivi e Palme:** take bus number 5 in Viale Merello (direction ‘Calamosca’), stop at ‘D’Armi Ingegneria’, get off at the ‘Roma-Molo Sanità’ stop, and from the same stop take bus number 1 and get off at the ‘Castiglione-Campi Sportivi’ stop. The hotel is 200 meters away from the stop.

Restaurant Information:

- Required reservation (direct contact for personalised menus: Mrs. Michela Castelli at 351 632 9994).
- Standard half-board cost (dinner) = €24.00/meal/person, including drinks (1/4 wine or beer, water, bread basket).
- Note: Half-board not available on Saturdays.
- Without advance reservation for half-board by the previous day, the half-board menu will not be available (only *à la carte* menu).
- The restaurant opens only for dinner from 8p.m. to 10p.m., Monday to Saturday. Closed on Sundays.
- Dietary intolerances are manageable upon request

Parking space supplement = €15.00/car/day

Motorcycle parking supplement = €5.00/motorcycle/day

How to buy a bus ticket using the App CTM Busfinder

CTM Busfinder is a free application for Android, Huawei, and iOS devices for your travels in the wider Cagliari area - [CTM SpA - Home \(ctmcagliari.it\)](http://www.ctmcagliari.it)

You can download the app from the following links:

From **Google play**: [CTM BusFinder - App on Google Play](#)

From the **Apple store**: [CTM BusFinder su App Store \(apple.com\)](#)

From the **AppGallery** (Huawei): [AppGallery \(huawei.com\)](#)

With Busfinder, you can:

- View the list of stops and schedules for each line, including real-time information.
- See the accessibility status of stops (accessible with an assistant, without an assistant, not accessible).
- Plan your route.
- Find the nearest stops and points to your location.
- Identify services with a limited route.
- View the estimated level of onboard crowding.
- Save your favourite stops.
- Buy tickets with a credit card.
- Buy tickets with a credit card on your device and credit them to another Busfinder account.
- Buy tickets and transfer them to another Busfinder user’s smartphone.
- Review your purchase history.
- Validate your tickets on board.

How do I validate the ticket?

To validate your travel ticket, you need to press the *Validate* button and scan any of the QR codes found on board the vehicles. On CTM vehicles, QR codes are located on the ticket validators, above the exit door, and between the window frames. Some smartphones may require you to allow the app to access the camera to validate the ticket.

What is the QR code?

The QR code is a barcode composed of black modules arranged within a square-shaped pattern.

Discover Cagliari by simply consulting the list of lines in the following link:
